

Boy Scouts of America – Troop 444 Website/Media Information Release

Dear Parent or Guardian,

Our troop website helps to streamline communications and paperwork. We update frequently with information about events and activities. You can also find forms and news. The web address is: troop444.rocks Check it out today!

We post pictures on the private area of the site in our photo album. These photos will list names but will not be placed on the web for public access. This way you can see what we have done. Hopefully this will help share the adventures of our troop with you.

To help with recruitment efforts these photos may also be used in various recruiting materials to be distributed to future Scouts and those interested in the Scouting program. These photos may also be used in service projects, which may appear in newspapers or displays. Unless we have this permission slip giving us permission, your child’s photos will not be placed on this website or other materials.

Yours in Scouting,

Mark Power
Scoutmaster
